

By Order from

Mr Vice-Chancellor.

VHereas complaint has been brought to Me of several disorders committed in and about the New Tennis-Court, where His Royall Highness the Duke of *York's* Servants now Act; These are therefore to require all Persons whatsoever, not to give them any disturbance, during the time assigned them for their stay in the University, upon pain of being proceeded against as disturbers of the Publick Peace, and the good Orders and Discipline of this place.

July 10. 1671.

P. MEWS *Vice-Cancel.*
